Company Overview

Next Consulting was founded in 2022 to bring premium software, business, and leadership development services to small and medium-sized businesses (SMBs). Headquartered in Palm Beach Gardens, FL and servicing the Palm Beach County, Florida, and National areas. We have 15+ years of software engineering experience, with access to hundreds of engineers through our partner network. Revo Media LLC is the parent company that operates as an engineering firm and has been operating since 2015.

Core Competencies

- Rapid software development services
- Pay as you build models
- Staff augmentation models
- Leadership development
- Strategic business models
- Exit Strategies
- Funding network

Differentiators

Rapid development through the use of our key development partners network. Having different partners globally allows us to manage the development process as needed to ensure the project is rolled out on time.

Continuous improvement of the project throughout the lifecycle based on your budget. We can slow down or speed up the project as needed.

Monitor the development process throughout, and approve the builds as they roll out.

Cost-aware development.

Regional Areas

With offices in South Florida, we offer our services nationally in the United States of America, with consideration of customers outside the U.S.A.
